

NPOL is up

Submitted by wxwolff on Tue, 2013-05-07 08:55

Date:

Tuesday, May 7, 2013 - 09:00

Instrument List:

- [Green](#)

Discussion:

After a short break for NPOL engineers during the dry weather, NPOL is back on-line (1330 UTC). Issues with the pedestal appear to have been resolved.
